Yeah...

What other great things were already into of today, isn't that?

And the creepy madman and his big idiot of his!

And that's all!

I was the only one to the family who wasn't tall and I was always looking up to them.

I'm the fourth born child to the "Barbarian" household.

That's right...

But regarding my parents and my big brother all equally.

ドラゴンズヘブン①

It's my fault that you're named

I've actually
been looking

that the world
is not as good
as it seems
to be

If doesn't matter how good you are you can't win against Fate!

Yeah I've noticed I can't do anything against Fate! She's totally invincible!

What? That beat you?

And that's the last time I'll ever lose! I'll never lose again!

Fate!

Well, all right then. I think I can take care of all of you once I get started!

I think one or two hits with a finger should do it!
